

DEODORANT FAQ

Q: Does Pink Hippo Deodorant really work?

A: Yes! We've put it to the test with men, women, athletes, construction workers, youth, etc.. with wonderful results!

Q: Will Pink Hippo Deodorant stain my clothes?

A: Pink Hippo Deodorant should not cause staining. We recommend you refrain from applying too much and wait a few minutes for it to be fully absorbed before dressing.. Contact with clothing after direct application in rare instances could cause staining.

Q: What does it smell like?

A: The essential oil blend has a light, pleasant and fresh scent. This is an all natural product, so you won't find heavily scented perfumes here.

Q: Why Pink Hippo Deodorant?

A: Conventional antiperspirants & deodorants prevent you from sweating by temporarily clogging sweat glands.. However, it's good to sweat those toxins out! We've removed the aluminum, artificial fragrances, and preservatives found in your traditional deodorants. So go ahead and sweat! We'll keep you smelling fresh!
