

## SUNSCREEN FACT SHEET

WHY Pink Hippo Sunscreen?

Hippos have their own natural defense in their skin against the sun, and it's **PINK!**

Pink Hippo Sunscreen is:

- Mineral based
- Lightly scented with essential oils
  - Contains no harsh chemicals
  - Contains no preservatives
  - All natural
- Safe against broad spectrum rays SPF 30+
  - Water & sweat resistant
  - Thick & creamy-won't run in eyes
- Made in small batches to ensure the highest quality

Handcrafted proudly in the USA!
